### couplet I

Wandering through the mist,  
in a cold deserted night.  
Lost in a land, where the sun does never shine.  
Suddenly this mist has gone,  
you stand before hell's gate.  
Now you see your time has come,  
the sentinel awaits,...

### refrein

In this land of mortals you're expected.  
They all know your name.  
Wind is howling, the raven flies, you're heading to your fate.  
Eyes are watching, out of the black,  
now you know there is no turning back,...

### couplet II

With a morbid smile,  
he laughs at you  
Then he turns his back, and lets you through.  
There you see the river,  
the Charon beckons you.  
Step up on his wooden boat,  
and let your spirit float,...
